Kapital Tantrum hails from the famous Stockton Burton herd in Texas. She has a great body and a perfect horn set to match. She is a Tempter by Overdrive pedigree that the Stockton Burton ranch is so famous for. Kapital Tantrum gave us a beautiful Fifty-Fifty son on June 29, 2023. He's got a real chance to be a herd sire. She was then AI'd to Fifty-Fifty on 9/30/2023.
