Roxy is becoming a Ironwood ranch favorite. Great confirmation and nice horn shape. She is producing good milk and a very gentle mother. Her sire is Bravo Tex so brings Jamakizm's Alphie 4/8 and Tari Graves on top and her dam, Miss Juliette (now 96.75"TTT) brings Shadowizm into the mix. Watch these horns--her dam put on over 20" of TTT after age 5. Roxy is starting down that same path.

Total Horn: 86.2500 on 11/12/2023
TTT: 75.8750 on 04/12/2024
Composite: 75.8750 on 04/12/2024
