SHAMROCK LADY RIO

EXCELLENT horn direction that lays back and downward , beautiful BRINDLE spots and speckles. He has lots of chrome and great conformation. He is is now longer tip to tip than our older bulls. He is over 99.25 total horn and 92 ttt. His progeny has lots of spots and speckles and face Chrome plus great beefy conformation. We are very blessed to have him as a sire. He gives his calves great horn direction, chrome, color and conformation.
