This gorgeous blue roan cow is the apex of historic longhorn genetics. She has the show stopping color and the rare corkscrew, and she is the beauty of the longhorn ARCHER 92 breed that we all strive to produce. On top of all that she has the sweetest disposition and will eat from your hands. **HEADLINER FF 248** TEXANA POSSUM SPOT 74.5000 on 11/07/2020 TTT: OVERWHELMER OVERHEAD **OVERLYN** KING'S LYNN JWT MISTED OVER DESIGNER VISION QUEST SUPERIOR QUEST MISTY VISION JET JOCKEY Rural Mist RURAL GOLD R 0 W F Т
