This cow here is my husbands cow and is the alpha cow in the pasture. She runs the show and is Queen B. She is like a fine wine, she just keeps getting better with age. She is amazing with people and eats out of everyones hands. She is always a pasture favorite because of her color and she makes sure to see who is here front and center. This cow here will be a permanent fixture in our pastures. We absolutely love her in every way. Her
