Big, bold and beautiful! That's Firebird. This lady has it all-Tari Graves, JP Rio Grande, Star Regard and Amazing Grace. Look at her lateral horn twist that now measures over 86"! Well developed with great proportions-deep boided, nice topline, good udder that produces plenty of mile for her big babies Produces big bodied well structured calves. Confirmed bred to TKR Royal "T" for a 2025 spring calf.
