We feel absolutely blessed to have Cut Quo as our herd bull. As we strive to add beef to our herd, we could not ask for a more perfect bull to follow behind Game Point in this quest. Cut is another genetic giant and we'll do all we can to express the genetics in his progeny, by cleaning up our epigenetics. While our ultimate goal is to produce quality, grass fed genetic breed stock, we also want the rate of gain for our grass fed beef. Cut made it extremely
