This young bull is absolutely stunning. His body size, structure, color and most important His horn and hornset is amazing. He may not have the tip to tip that our flagship bull Hubbells Roman Crown has (although still excellent at 82" @3yrs old), but some would say he's better in every other category, which is hard to do. We are extremely excited to breed him to many of our ladies this year and in the years to come to see how he adds to our
