

SUPER IMPACT 77

Date of Birth: 01/07/1997
Registration 1: C178908
Breeder: Gary & Ann Henry
Owner: Craig Perez

Courtesy of Arrowhead Cattle Company

Here is a proven producer creating many tremendous animals. Owned by some of the biggest names in the business Gravett, Valentine, and Hudson. She is bred for twist and designed to create longhorns. She has sold for as much as \$28,000 and we are now pleased to have her here to generate the next level of success! Thank you to Bill Hudson for allowing us to be able to add her valuable genetics to our herds.
