Look at this gorgeous multi-colored young bull. His famous dad is 83" TTT, his dam is 80" at only six. He is a four-time bronze winner and was over 69" TTT @ 24 months. He would have been 78" TTT @ three had he not broken off over 4" of his left horn digging in red clay. He will still exceed 80" TTT. His offspring are very colorful, take a look for yourself.

**Total Horn:** 87.5000 on 11/01/2016  
**TTT:** 75.7500 on 04/12/2018
