The genetics on this bull calf are off the charts! His sire was Dillon who was 83.5" TTT @ 3 1/2 years old. Dillon's dam is Miss Kitty who is 94.5" TTT. JP Rio Grande breeding on bottom. After Dillon's untimely death in 2016 his bull calves are going to be rare. He is very colored up and is big and strong.

TTT: 68.0000 on 10/14/2018
