

CR Dark Pearl

Date of Birth: 03/07/2017
Registration 1: CI308324
Breeder: Alexandra Dees
Owner: Russ & Lone Kubik

This gentle cow is one of the most beautiful girls in the herd. She has a super PCC Midas Touch gold and white herd sire prospect at side and has been exposed to WT Kid Rock for 25 days! There is a good chance that he has bred her in that time. DNA PV Johnes neg
