Bred to NDN Scare Crow for a 2024 fall calf. Pacific Beaut is an own daughter of the powerhouse producer Santee Chex, making her a half sibling to many sale toppers and futurity winners. Her unusual coloring is something that will make you stop in your tracks and is a very rare color to obtain. She is an easy keeper and very easy going cow. Going back to Maximus ST on the bottom, her pedigree gives you a variety of bulls to click
