This handsome fella is just seven years old and has over 112" tip to tip. Imagine what he will look like when he matures. He loves bread and will eat it from your hand. He has a lump on his shoulder from an old injury, which sometimes causes him to favor his front left leg. While he probably won't win any races, he does what a steer is supposed to do...strolls around the pasture looking majestic and stopping traffic.

**Total Horn:** 134.1250 on 08/28/2019  
**TTT:** 112.7500 on 12/04/2019
