Courtesy of Bolen Longhorns

This young cow has a tremendous amount of horn measuring in at 90" ttt. She's got a couple of Horn Showcase trophies. She's also been a futurity winner on several occasions including a High Point Heifer title at the ITTLA Futurity in OK. Her dam is a very correct cow that milks well. Her sire is the great Swagger BCB who's putting good horn length on his offspring. Her first calf was a class winner at the HSC measuring 44" at 12

Total Horn: 123.5000 on 11/13/2023
TTT: 92.5000 on 11/13/2023
Composite: 210.7500 on 07/28/2023
