JH Rio's Lady In Red is an 80" Cow @ 5 years 7 months Rio really clicked with Lady Lill. Lady Lill has been a very consistent producer I have a lot of progeny out of her from different bulls and they're all sporting the similar qualities, great milkers Excellent confirmation. But the Rio cross has been the most elegant she's a perfect 10 you really can't fault her anywhere. Now all I need is a half dozen heifer calf's just like her.
