

## Rocket Man 10

**Date of Birth:** 04/10/2015  
**Registration 1:** BI95921  
**Registration 2:** 231739  
**Breeder:** BEERE CATTLE COMPANY  
**Owner:** Hyer/Davenport Partnership

Rocket Man measured 90 1/2 inches tip to tip on 1/2/23. He won his class at the 2018 HSC with 84.5625 TTT at just 3 1/2 years old. He is truly an extraordinary bull that has even exceeded his sire, PCC Rim Rock. If you want to add size, Rocket Man 10 will do just that. He is a tall, stout, full bodied bull that has some of the flattest, lateral horns you can find. Known to lay down high horns on his progeny, Rocket Man 10 is the total package.

**TTT:** 90.5000 on 01/02/2023
